**Clinic News** - Our school has been selected for the KINSA FLUency program. This program will keep our school healthier by providing each family with a FREE Quickcare thermometer. We are excited and proud to be chosen for this exclusive program. All Pepin families are eligible to participate, please see the attached letter from the nurse for information on how to sign up. The more families that participate, the more successful the program will be in keeping our staff and students healthy.

**Arrival Reminder** – Students may arrive after 7:00 a.m. and must report directly to the designated area. Please do not drop your child earlier than this time as there is not adequate supervision before this time. Once students enter the property, supervision must be present in order to ensure their safety.

**Dismissal Reminder** – Pepin Academies students are required to remain in their designated areas while waiting to be picked up. For the safety of your child, and to ensure a quick flow of traffic, please remain in your vehicle. Parents are not permitted to pick up their child from the classroom or outside the campus gates. Dismissal time is not an appropriate time for a parent/teacher conference. If you would like to speak with your child’s teacher, please make an appointment in advance. All students remaining on the school grounds after 3:30 p.m. will be sent to aftercare and families will be charged accordingly.

**Public Library Events** – There are a number of events at the various public libraries around Hillsborough and surrounding counties. You can go to [HCPLC.org](http://HCPLC.org) and click on “Events and Classes” at the top. Just by clicking on “Children” or “Teens” you might be surprised at the many things that are going on which can help your child from sign language lessons to programming or even SAT math practice and computer skills though Teen Tech programs. See what is going on at your local library!
